Burton Regatta Association AGM – 9th December 2019

«GreetingLine»

Firstly, may I thank you all for your continued support of the regatta. Not having the wide support it does would make running the event very difficult.

Attached with this letter is the notice of the AGM and the accompanying documents. If anyone would like to make any nominations for any of the positions, please bring them to the AGM or if you cannot make it please let me know. If anyone can help with the organization and running of the regatta, please get in touch. I look forward to seeing you all at the AGM.

In order to aid the administration of the regatta and the AGM for the volunteers who run it, the regatta will no longer be sending out a notice of the AGM by post. The notice will go out by email and be posted on the regatta website. If you are receiving this notice by post, then the regatta does not have a record of an email address for you. If you would like to be included in the email notice next year, please get in touch with me to let me know your current email address.

Sincerely,

K M Holmes

REGATTA DATES 2020– SATURDAY 11th JULY & SUNDAY 12th JULY

Burton Amateur Regatta Association

Chairs Report 2019

It was with much sadness and disappointment that this year's Regatta had to be cancelled. The state of the Washlands area which was waterlogged made it impossible to get trailers and large vehicles on to the site. We join a great number of events this year that were cancelled due to poor weather.

This was a sad loss to The Town and huge financial loss not only to the Regatta but also the two local rowing clubs.

I would like to thank all of our volunteers who helped prepare for this year's regatta. A great deal of work went into it despite the weather stopping the event only a week before it was due to be held. I am very pleased to be working with such a dedicated team.

I would like to thank our event sponsors without whom it would be impossible to run a financially viable event. Your support and input into one of Burton's premier sporting events is much appreciated by the committee, clubs and competitors. Many thanks to the sponsors who have agreed to leave their sponsorship money in place ready for 2017.

Burton Regatta Association also values the support we receive from East Staffordshire Borough Council, Staffordshire Police and Staffordshire Fire & Rescue Service. Their help and advice greatly assists us being able to organise an important event in the town's calendar.

We will continue to work together to have a Regatta in 2020. Let's hope the weather is kinder to us next year.

Finally, I thank the committee for their support and effort in putting on such a great event, one which we can all feel proud of.

Kenny Holmes

Chair, Burton Regatta Association
