New Competition Framework Event Bands

Senior events will be split into bands against competitors of similar ranking index. The aim will be for no less than 4 and no more than 8 per band, but racing against an appropriate ranking will take priority. The winner of each band will receive medals.

Held under the British Rowing Rules of Racing.

Masters crews with no opposition and where an event cannot be formed through a handicap, will be moved to Senior into a band of appropriate ranking index unless they specify otherwise. Events with over 8 entries will be further split into bands depending on their ranking index.

Juniors of J15 and above without opposition and unable to move up will be moved to Senior into a band of appropriate ranking index. J11 events offered on Sunday only. Events with over 8 entries will be further split into bands depending on their ranking index.

Payments - BROE will close for payments on Friday 12th July at midday. Postal payments should also arrive by this time.
